**LAPD Foothill Division Community Information**

We are making headway after years of fighting this battle against these predatory-abusive-sex trafficking pimps and their sex-working prostitutes, and those disgusting-customers called johns. LAPD **VICE** wants you to call and leave a detailed message of any pimp, prostitute or human trafficking that you may see or be aware of. Leave your number if you'd like to or don't, but leave the information. LAPD **VICE** 818-834-3170 [31756@lapd.lacity.org](mailto:31756@lapd.lacity.org) or call the dispatch directly at 818-734-2223. Ask the Senior Lead Officer for a Trespass Authorization Form. As no one is allowed to come on your property without permission even if you are open for business. A legal order can be created and they can be arrested.
